

SeriousWindows™ 301

SAVES MORE ENERGY THAN ANY OTHER WINDOW. PERIOD.

Energy Tax Credit

Receive up to \$1500 with SeriousWindows

SeriousWindows 301 Series

The SeriousWindows 301 Series of vinyl windows and doors are the lowest cost way to increase your home's value, save money on energy costs, and increase your indoor comfort. These virtually maintenance-free vinyl windows are offered in many different styles from traditional double hungs, contemporary sliders and modern casements. Every 301 Series window is custom-made, ensuring a fit that is perfectly tailored for your home.

Benefits:

- Up to R-3.8 full-frame windows (exceeds Energy Star®)
- 95% UV protection reduces fading
- Lower energy bills
- Reduced condensation
- Qualifies for \$1500 tax credit*
- Increased comfort with less draft in winter and reduced solar heat in the summer
- Can contribute to LEED credits

Features:

- Solid vinyl lineal that never needs painting
- 12 point fusion-welded sash and frame
- Double locks on all windows wider / taller than 27"
- Night vent latches
- Interlocking meeting rails are metal reinforced for superior strength
- Dual seal weather-stripping keeps air and moisture out
- Sloped sill helps with water run-off
- Tilt or lift in for easy cleaning
- Multi-chambered construction increases thermal performance

The Most Affordable Way to Achieve Comfort and Energy Savings

SeriousWindows 301 Series is a high value, entry level window that qualifies for the Federal Energy Tax Credit of up to \$1500 on your federal income tax*. The combination of SeriousGlass packaged into the vinyl frame delivers the performance and energy savings you demand in a window.
